The wording below is a sample of what will appear on the back cover of the service sheet. This can be altered to different wording if you would prefer. Also, different images or a photo of your loved one can be put in the middle. Sometimes the wording is placed within the pages of the order of service so that photos can be put on the back page.

John's family would like to thank you for

Inside this booklet you will find some example front covers that we can use to base the service sheet design.

The front cover design you choose can also be used on the back cover, as well as carried on inside the order of service if you would like it to. If you don't want the full design from the front cover used, a single image can be used, for example if you have a full background of roses on the front, a single rose can be placed on the back.

All the example front covers can be changed to suit your preferences or your loved one interests and hobbies.

We aim to personalise all service sheets to reflect the individual person.

Welcome

Reading

Feel no Guilt in Laughter

Feel no guilt in laughter, he'd know how much you care.

Feel no sorrow in a smile that he is not here to share.

You cannot grieve forever; he would not want you to.

He'd hope that you could carry on the way you always do.

So, talk about the good times and the way you showed you cared,

The days you spent together, all the happiness you shared.

Let memories surround you, a word someone may say

Will suddenly recapture a time, an hour, a day,

That brings him back as clearly as though he were still here,

And fills you with the feeling that he is always near.

For if you keep those moments, you will never be apart

And he will live forever locked safely within your heart.

A Silent Tear

Just close your eyes and you will see

All the memories that you have of me

Just sit and relax and you will find

I'm really still there inside your mind

Don't cry for me now I'm gone

For I am in the land of song

There is no pain, there is no fear

So dry away that silent tear

Don't think of me in the dark and cold

For here I am, no longer old

I'm in that place that's filled with love

Known to you all, as "heaven above"
